An Art Education Center

Workshops,  
Parties,  
Events, and  
Team Building

We have so many great things we can do in our 1600 square foot space and a wonderful staff of experienced artists. Reservations are available during the day or evening, any day of the week. We are also able to accommodate food and drinks/alcoholic beverages at these events.

Our events are priced at **\$25 per person** and run for 2 hours. However, you are not limited to a 2 hour timeframe, as we can accommodate groups for longer periods of time. Flipside offers a wide ranging list of styles to create in, that you can choose from, such as:

- Traditional step by step painting on canvas
- Free style, organic painting on canvas
- Painting on other materials such as wood, metal, glass
- Watercolor
- Chalk and Oil Pastel
- Charcoal
- Prismacolor Pencils and Marker
- Mixed Media and Collage art

These are just a few of things we offer at Flipside. Customizing your parties exclusively for you is what we do best.
